The World's Most Extravagant Backgammon Set 06.13.12 Some of you have probably encountered publications regarding super expensive backgammon sets. Until recently the most expensive set on the market was made by Carbofan company, priced $25,260. Sounds imaginary? Well, an average person is willing to accept exaggerated prices when it involves art. For example, Charles Hollander collection includes a custom made backgammon set, designed by the artist Bernard Maquin, which is made of more than 60,000 diamonds and a lot of gold. But commercial items are expected to be cheaper.Geoffrey Parker's reputable company has managed to exceed Carbofan's impressive figure, and raise the 5 digits number to a 6 digits one. The new hand-crafted backgammon set, made of gold and diamonds is offered for sale for the humble price of $387,890! Is someone interested?
