2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, higher education, adult education, HomeschoolPage 2 This video list allows students to follow Bill Lye's video of FOSSILS (Season 4, Episode 19). Each video list includes a combination of filling in blank, true/false, and/or short answers to questions. Students fill out a video sheet while watching Bill Day's Science Guy. Watching the video is no longer a passive activity! Students engage during videos as they should listen and write at the same time. This video list has 16 questions. Video questions are relatively easy to answer while watching videos and not so difficult that they require a lot of writing. The answer key is included in this TES product. The video table is printed and no preparation is required. I also included a link to the code to the video. This means that students can make a sheet on their own even if they are absent. The video sheet is perfect for sub-plans. Visit my TES store for more Bill Day Science Guy video sheets and/or other movie guides. Please remember to leave reviews.
